

**ORDINANCE NO. 8  
SERIES 2004**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF GUNNISON ESTABLISHING A CONTRACTOR CERTIFICATION PROGRAM THROUGH THE CITY'S DEPARTMENT OF PUBLIC WORKS TO CERTIFY INDIVIDUALS TO INSTALL WATER AND SEWER SERVICE LINES AND AMENDING SECTION 12-1-4(A) (4) AND SECTION 12-2-4(a) (3) OF THE CITY CODE OF THE CITY OF GUNNISON TO ALLOW CERTIFIED INDIVIDUALS TO INSTALL WATER AND SEWER SERVICE LINES.**

**WHEREAS**, the City of Gunnison wishes to establish a certification program to certify individuals to install building water and sewer service lines; and

**WHEREAS**, the City Council of the City of Gunnison wishes to amend the City Code of the City of Gunnison so as to allow certified individuals to install building water and sewer service lines;

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GUNNISON, COLORADO, ORDAINS THAT:**

Section 1. The Public Works Department of the City of Gunnison is hereby directed to establish a contractor's certification program to certify individuals to install building water and sewer service lines.

Section 2. Section 12-1-4(A) (4) of the City Code of the City of Gunnison, Colorado, is hereby amended to read as follows:

4. City/sewer service line installation within the City right-of-way, including excavation, bedding, compaction, and backfill, shall be done by authorized agents of the City. A person holding a current certification from the Department of Public Works or a licensed plumber under supervision of a master plumber and licensed by the State shall install building /sewer service line on a private property which is connected to the City's sewer system. A homeowner may do the installation of a building/sewer service line on private property on which is placed a single dwelling unit of which he is a resident. Unauthorized persons doing building/sewer service line installation shall be deemed in violation of this chapter.

Section 3. Section 12-2-4 (A) (3) of the City Code of the City of Gunnison is hereby amended to read as follows:

3. City/water service line installation within the City right-of-way, including excavation, bedding, compaction, and backfill, shall be done by authorized agents of the City. A person holding a current certification from the Department of Public Works or a licensed plumber, under the supervision of a master plumber, and licensed by the State shall install water service line/buildings, including meter installation on private property, except that a homeowner may do the installation of a water service line/building on private property on which is placed a single dwelling unit of which he is a resident. Unauthorized persons doing water service line/building installation shall be deemed in violation of this chapter.

**INTRODUCED, READ, PASSED AND ORDERED PUBLISHED** this 8th day of June 2004, on first reading, and introduced, read, and adopted on second and final reading this 22nd day of June, 2004.
